REPLY

Sir,

We thank you for your request and invite you to find below the information you need regarding your trip to Saudi Arabia.

You need to have a passport, still valid 6 months after your return. A visa will also be necessary.

To obtain your business visa, you must present the following documents:

- 1 visa request form filled in and signed.
- 2 identical ID photos (photocopies and scanned photos are not accepted).
- 1 company letter: This letter must be done on headed paper and must indicate your surname, first name and job title, as well as the name of the company that you will visit in the country of destination, its address, telephone number, the reason and dates of the trip. It must be mentioned that all costs in reference to the trip and a possible repatriation will be managed by the company. This letter must be signed by a manager and stamped with the company stamp.
- 1 invitation from the Saudi Arabian correspondent visaed by the Saudi Arabian chamber of commerce (in Saudi Arabia) and faxed to the Greek consulate.
- 1 copy of the invitation is to be presented at the consulate when requesting the visa.
- For women: Agreement from the Saudi Arabian Ministry (directly to the consulate)
- For women: Document in Arabic indicating the references of the agreement from the foreign Saudi Arabian ministry.

No vaccinations are requested for travellers from Europe.

Please find below the contact details of the embassies in case you require additional information while planning your trip.
